## **Bio for City Council**

### **March Teen of the Month**

Anthony is a very active student and still finds time to keep his grades above a 3.0. At school he is involved in FFA, Ag Academy and was on the football team. In the community he is involved with Bell Ringing for the Salvation Army, wrapping Christmas presents for the Adopt A Child program and is very involved in his church. For the church he is in a student leadership program, and helps out in the church band. One outstanding deed that Anthony was involved in was helping out a needy family. This family was unable to keep their own house clean, so Anthony and some others went to their house and cleaned up their whole yard. Anthony also finds time to work and earn some extra money. He worked for the City of Lodi as a soccer referee and he also works at the West 12 Ranch.
